Book Details:

Review: This is a great addition to your collection of Psalms, and I have found it very useful for Lectio or for prayer groups. If you are occasionally overwhelmed by some of the graphic descriptions of animosity you often find in the Psalms, this text balances them out very nicely indeed, and gives you a new appreciation of the emotional depth and universality...

Description: Every commentary on the Book of Psalms has had to face the issue that many of these prayers commemorate and celebrate wrath and vengeance. What is needed is not ingenious exegetical rationalization of ancient texts, but the kind of transformation into a work of piety and art that is provided here. Addressed are the needs of a world seeking to counter...
